COURTESY PAY

Courtesy Pay is a non-contractual courtesy, offered by Weber State Credit Union, to eligible members in good standing. Courtesy Pay service pays items that would otherwise be returned as NSF (not sufficient funds). In other words, Courtesy Pay allows WSCU to pay a draft written on an account, even if it causes the account to become overdrawn. There is a \$25.00 fee for each item paid through Courtesy Pay.

We do not encourage members to test the limit of their Courtesy Pay status. Frequent abuse of Courtesy Pay, or leaving a negative balance for too long can lead to the loss of Courtesy Pay service.

Courtesy Pay privilege is limited to one checking account per member. Weber State Credit Union retains the right to refuse to pay an overdraft at any time, even though it may have previously paid overdrafts. It is the credit union's policy to comply with all applicable laws and regulations and to conduct business in a safe and sound manner. For complete Courtesy Pay details, please see a Member Service Representative.

*All fees will be assessed at the time of service or deducted from member's account. If the balance is insufficient members will be notified to pay the required fee. We reserve the right to change this Fee Schedule at any time. We will notify members as required by law of any changes that may be imposed on accounts. Any fees or charges assessed to the credit union for extra service or special handling of accounts will be passed on to account holders.
